

Join the Conversation

Healthy Lee invites you to participate in a Community Conversation on Behavioral Health in Lee County

Let's start a community-wide dialogue on one of the most important issues facing our residents:

AWARENESS · ACCESS · AVAILABILITY · FUNDING for mental and behavioral health services and how we can increase public awareness so everyone affected by this illness receives an effective diagnosis, treatment and support they deserve.

This information session will include special guest speakers and facilitated conversations on the challenges and opportunities to create a healthy community.

Keynote Speaker:

Robert Roose, MD, MPH, FASAM
*VP, Behavioral Health, Mercy Medical Center
A Member of Trinity Health Of New England*

Breakout sessions include:

- Children's behavioral health
- Adult/Senior behavioral health
- Substance Abuse
- Dementia
- Depression and Anxiety in the Workplace

Tuesday, January 9, 2018
